

Asim Ansari

William T. Dillard Professor of Marketing
Columbia University
665 West 130th Street
New York, N.Y., 10027

Phone: (212) 854-3476
Email: maa48@columbia.edu

Education

Ph.D., Marketing, New York University, New York, 1994
P.G.D.M., Indian Institute of Management, Bangalore, India, 1988
B.E., Mechanical, Osmania University, Hyderabad, India, 1986

Employment

William T. Dillard Professor of Marketing, 2009-present
Professor of Marketing, Columbia University, 2003-2009
Associate Professor with tenure, Columbia University, 2001-2003
Associate Professor of Marketing, Columbia University, 1998-2001
Assistant Professor of Marketing, Columbia University, 1996-1998
Assistant Professor of Marketing, The University of British Columbia, 1993-1996
Instructor of Marketing, New York University, 1992-1993
Marketing Executive, National Institute of Information Technology, India, 1988-1989

Research Interests

Digital Marketing, Personalization, Social Networks, Machine Learning & Marketing, Bayesian Models

Teaching Interests

Pricing Strategy, Marketing MBA/EMBA Core, Empirical Models, Bayesian modeling, Marketing Analytics.

Grants

Google-WPP Research Competition Grant for \$55,000, with Sunil Gupta at Harvard.
CAN \$232,469 Research Grant from the Canadian Medical Research Council, 1999
CAN \$60,000 Research Grant from the SSHRC Canada, 1996

Academic Awards

Research Awards

Winner, Paul E. Green Award, 2004

Winner, Frank M. Bass Dissertation Paper Award, 2023

Finalist, John Little Best Paper Award, 2023

Finalist, Paul E. Green Award, 2021

Finalist, Frank M. Bass Dissertation Paper Award, 2019

Finalist, Frank M. Bass Dissertation Paper Award, 2015,

Finalist, Frank M. Bass Dissertation Paper Award, 2014

Finalist, John Little Best Paper Award, 2014

Finalist, William F. O'Dell Award, 2012

Finalist, INFORMS Society for Marketing Science Long Term Impact Award, 2009

Finalist, Paul E. Green Award, 2008

Finalist, William F. O'Dell Award, 2007

Finalist, William F. O'Dell Award, 2005

Finalist, Paul E. Green Award, 2002

Winner, Herman Kroose Award for Outstanding Dissertation, New York University, 1993

Teaching Award

Dean's Award for Teaching Excellence in the Core, 2009

Other Honors

Faculty, INFORMS Doctoral Consortium, 2004, 2007, 2008, and 2014

AMA Doctoral Consortium Fellow, 1992

Nichols Fellowship, New York University, 1992-1993

Merit Scholarship, Indian Institute of Management, 1986-1988

Special Merit Scholarship, Government of India, 1982-1986

National Merit Scholarship, Government of India, 1980-1982

Editorial Activities

Associate Editor

Management Science, 2009-2014

Quantitative Marketing and Economics, 2003-2014

Editorial Board

Journal of Marketing Research, 2011-Present

Marketing Science, 2008-2021

Journal of Marketing, 2005-2008

Adhoc Reviewer

Journal of Marketing Research, Management Science, Marketing Science, Journal of Marketing, Marketing Letters, International Journal of Research in Marketing, Journal of Consumer Psychology, Journal of the American Statistical Association, Psychometrika, British Journal of Statistical and Mathematical Psychology, Journal of Business and Economic Statistics, The Journal of Regional Science, The International Journal of Industrial Organization, Decision Support Systems, Managerial and Decision Economics, and Economic Journal.

Publications

32. Ansari, A., K. Bawa, and A. Ghosh (1995) "A Nested Logit Model for Brand Choice Incorporating Variety Seeking and Marketing Mix Variables," *Marketing Letters*, 199-210.
33. Jacoby J., J. Jaccard, I. Currim, A. Kuss, A. Ansari, and T. Troutman (1994) "Tracing the Impact of Information on Higher Order Mental Processes: The Shape of Uncertainty Reduction," *Journal of Consumer Research*, 291-303.
34. Ansari, A., N. Economides and A. Ghosh (1994) "Competitive Positioning in Markets with Non-Uniform Preferences," *Marketing Science*, 248-273.

Papers under Review

Boughanmi, Khaled, Asim Ansari, and Yang Li (2024) "A Generative Model of Consumer Collections," under review at *Journal of Marketing Research*.

Yin, Mingzhang, Khaled Boughanmi, Anirban Mukherjee, & Asim Ansari (2024), Understanding Consumers Fast: Meta-learned Temporal Processes for Modeling Consumption Dynamics. under review at *Management Science*.

Working Papers

Onzo, Kohei, Asim Ansari and Raghuram Iyengar (2024), "Sequential Search with Endogenous Consideration"

Tkachenko, Yegor, Kamel Jedidi and Asim Ansari (2023), "Reining in Long Consumer Questionnaires with Deep Reinforcement Learning."

Liu Jia, Asim Ansari and Leonard Lee (2023), "The Joint Impact of Revenue-Based Loyalty Program and Promotions on Consumer Purchase Behaviors."

Tkachenko Yegor, Asim Ansari and Olivier Toubia (2020) , "A Deep Learning Approach for Visual Design of Products."

Research in Progress

Onzo Kohei and Asim Ansari, "Sequential Search, Bayesian Learning, and Forward Looking Consumers"

Lin Hengxu, Kohei Onzo and Asim Ansari, "Modeling Distribution Shift in Heterogeneity Distributions using Dependent Dirichlet Processes."

"A Deep Learning Model of Television Drama Viewership using Dynamic Hypergraph Neural Networks."

Wei Xinyu and Asim Ansari, "Modeling the Death of Relationships in Social Networks."

Presentations

Ansari, A., N. Economides, and A. Ghosh, (1992) "The Defender Model with Non-Uniform Preferences," paper presented at the Marketing Science Conference in London.

Ansari, A., K. Bawa, and A. Ghosh, (1993) "Nested Logit Model for Variety Seeking," paper presented at the Marketing Science Conference in St. Louis.

Ansari, A., and D. Sabavala, (1994) "Competitive Positioning Strategy in the Presence of Asymmetric Product Costs," paper presented at the Marketing Science Conference in Tucson.

Ansari, A., H.V. Johar, and G.V. Johar, (1995) "Cognitive Process Underlying Advertising Design," paper presented at the Marketing Science Conference in Sydney, Australia.

Ansari, A., A. Gupta, and A. Ghosh, (1996) "A Finite Mixture Model for Variety Seeking and Brand Choice," paper presented at the Marketing Science Conference in Gainesville, Florida.

Manchanda, Ansari and Gupta (1997) "The Shopping Basket: A Model for Multi-category Purchase Incidence Decisions," paper presented at the Marketing Science Conference, Berkeley California.

Asim Ansari and Joel Steckel (1997) "Posterior Predictive Model Fitting for Model Adequacy," paper presented at the Marketing Science Conference, Berkeley, California.

Ansari, A., Gupta, S., and Manchanda, P, (1998) "A Cross-Category Model of Brand Choice and purchase Incidence Decisions," paper presented at the INFORMS Marketing Science Conference, Paris.

Ansari A, K. Jedidi and S. Jagpal (1999) "A Hierarchical Bayesian Approach for Modeling Heterogeneity in Structural Equation Models," presented at Marketing Science Conference, Syracuse NY.

Ansari, A., S. Essegaier and R. Kohli, (1999), "Internet Recommendations Systems," presented at the Marketing Science Conference, Syracuse NY.

Ansari A, K. Jedidi and S. Jagpal (1999) "A Hierarchical Bayesian Approach for Modeling Heterogeneity in Structural Equation Models," presented at the Bayesian Conference, Ohio State University.

Ansari, A. and C. Mela (2000) "Targeted Communications in Electronic Media," presented at the INFORMS Marketing Science Conference, UCLA, Los Angeles.

Manchanda, P., A., Ansari and S., Gupta (2000) "Multi-category Brand Effects," presented at the INFORMS Marketing Science Conference, UCLA, Los Angeles.

Ansari A. and Y. Liu, (2000) "A Hierarchical Bayesian Approach for Targeted Direct Marketing," presented at the INFORMS Marketing Science Conference, UCLA, Los Angeles.

Ansari A. and C. Mela, (2000) "E-Customization," presented at the Second Bayesian Applications and Methods in Marketing Conference, Ohio-State-University.

Boughanmi, Khaled, Asim Ansari, and Yang Li (2023) “A Generative Model of Consumer Collections,” presented at the Marketing Dynamics Conference.

Onzo Kohei and Asim Ansari (2023), A Bayesian Nonparametric Sequential Search Model, presented at the Marketing Science Conference

Outside Activities 2015-2024

Advisor to Correlation-One, 2015-Present

Doctoral Committees

Sponsor

Shin Oblander (University of British Columbia)

Ryan Dew (Wharton Business School)

Khaled Boughanmi (Cornell University)

Yegor, Tkachenko (Independent Researcher)

Raghuram Iyengar, (Wharton Business School)

Jonathan Zhang, (Joined University of Washington, Seattle)

Martin Zemborain, (Joined IAE Business School, Argentina)

Sri Devi Deepak, (Joined University of Iowa)

Member

Nicholas Padilla (London Business School)

Malek Ben Sliman (Sothebys)

Alain Lemaire (UT Austin)

Jia Liu-(HKUST and Microsoft Research)

Puneet Manchanda, (Chicago Business School & University of Michigan)

Ricardo Montoya, (University of Chile)

Yang Li (CKGSB, China)

Skander Esseghaeir (Joined NYU)

Jisang Pack, (ZS Associates)
Peter DeMayer, (Singapore Management University)
Mohammed Lachaab, Tunisia
Christian Pasarica, Columbia University, (Statistics Department)
Journi, Kerman, Columbia University, (Statistics Department)

Invited Talks

Google-WPP Research Grant Competition Conference, Google, New York.
ACM Recommendation Systems Conference, New York University, New York.
New York Academy of Sciences, Inaugural New York Computer Science and Economics Day
Brain to Society Conference for Obesity Research, Montreal Canada
First Bayesian Applications and Methods in Marketing Conference, Ohio State University,
Second Bayesian Applications and Methods in Marketing Conference, Ohio State University
Choice Conference, University of California Berkeley,
Internet Conference, University of Southern California,
Choice Conference, University of Colorado, Boulder
Choice Conference, Insead.
INFORMS Doctoral Consortium, Rotterdam, Singapore, Vancouver and Emory
University of Michigan, Rutgers University, University of Maryland, University of Rochester, University of California, Davis, m Emory University, University of British Columbia, Penn State University, University of Zurich, Wharton School, Yale School of Management, Indiana University School of Business, London Business School, Choice Conference, Cornell University, New York University, University of Toronto, Tuck School of Business, Dartmouth College, Stanford University, University of Chicago, Duke University, University of Washington, Purdue University

Courses Taught

Marketing Analytics (MOOC) on EdX
Pricing Strategy (MBA and EMBA)
Marketing Programs, (Core) MBA and EMBA
Marketing Strategy, (Core) MBA
Customer Relationship Management, MBA
Product Management, MBA
Marketing Models, MS and PhD
Bayesian Modeling in Marketing, PhD

Professional Memberships

The New York Academy of Sciences, INFORMS, and the American Marketing Association

Recent Committees and Service

School Wide Committees

Senior Recruiting Committee, 2017-2019

Member, Culture Committee, 2016-2018

Promotions and Tenure Committee 2013-2016

Chair of the Research Computing Committee, 2010-2014

Department Committees

Director of the Master of Science in Marketing Program, 2016-2019

Member, PhD Committee, 2012, and 2016-Present

Member, Masters of Science in Marketing Committee 2010-2016

Core-Course Coordinator, Marketing, 2010-2013

Chair of Recruiting Committee for the Marketing Division, 2011

Member, Core Curriculum Structuring and Revision Committee, 2011

Last updated: January 7, 2025
